

NEWCOMER RESOURCES

The WorkLife Office, Health Promotion, and Health4U units have been realigned to form the Health Promotion and Engagement Team. Along with The Resource Center for Persons with Disabilities, these two teams will comprise Health Promotion, Engagement, Accessibility, and Accommodation (HPEAA) within [University Health and Wellbeing \(UHW\)](#). Due to the reintegration of WorkLife into University Health and Wellbeing, we are unable to conduct consultations at this time. Listed below are available Newcomer Resources.
