

Health Promotion  
MICHIGAN STATE UNIVERSITY

### Olin Health Center houses:

- Women's Health Clinic
- Laboratory Services
- Primary Care
- Trans Health

### HIV Prevention

Using Condoms, taking Pre-Exposure Prophylaxis (PrEP) & having an undetectable viral load all help prevent HIV.

*Confidential HIV Testing - 517.353.4660*

**Visit [olin.msu.edu](https://olin.msu.edu) to review our services**

For local testing locations, please visit [plannedparenthood.com](https://plannedparenthood.com)

### Sexually Transmitted Infection (STI) Prevention

Using Condoms, limiting partners, and knowing your status all helps prevent transmission of other STIs/STDs.

*Comprehensive STI Testing - 517.353.4660*

***Prevent HIV, STIs  
& Unplanned  
Pregnancies***
