

THE PARTY STARTS WHEN YOU PARTY SMART

of MSU students drink 0 – 4 drinks (alcohol) when they party — about half limit themselves to one or two drinks. ¹

**Most Spartans celebrate responsibly.
But if someone needs help, remember:**

SEE.

CALL.

STAY.

Scan the QR code for additional info on Medical Amnesty and other alcohol-related topics.

What is medical amnesty?

MSU's new medical amnesty policy supports students seeking medical care for themselves or others in case of intoxication or injury. If you're worried about a friend you think might need medical care, there is no reason not to call 911. If you see a friend in trouble, make the call, then stay with them until help arrives.
